**INTERVIEW SUMMARY**

On 9 May 2006, the Examiner contacted Applicants' representative via telephone. During the phone conversation, the Examiner indicated that he could put the case in condition for allowance if Applicants' representative gave permission for the Examiner to make an Examiner's amendment. Specifically, the Examiner asked for permission to cancel withdrawn claims 20 – 23, which were withdrawn responsive to an earlier restriction requirement. In addition, the Examiner asked for permission to amend claim 25 to correct a typographical error by replacing "adaptor" with "adapter." Applicants' representative verbally gave the Examiner permission to make these amendments.

Applicants thank the Examiner for his assistance. If any other issues remain, Applicants request that the Examiner call the undersigned to expeditiously resolve these issues.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
